Prophecy of an 90  
year old Lady in  
Valdres Norway

1. **Before Jesus comes again** and before World War III breaks out, it will be a relaxation. There will be peace between the great powers in the east and the west, and that becomes a long peace. (Note that this was written down in 1968, midduring the Cold War and at a time when the tension between the great powers were at their strongest.) In this period of peace decides Norway to disarm, and we will end up being just as unprepared as we were on April 9, 1940. World War III is about to break out a way no one had expected and from a completely unexpected hold. The war will develop from something that could be perceived as just a small trifle.

2. **Before Jesus comes again**, there will be an unparalleled apostasy among them Christian. It becomes a lukewarm unity among the believers that we have never before have experienced the like. We are no longer open to searching messages. We will no longer hear of sin and grace, law and gospel, penance and improvement. Instead, there is a new preaching that will seize people, a kind of "happiness Christianity", and we will experience that more and several churches are beginning to stand empty. In the same way, we will also experience that some houses of worship will be empty. Entertainment, arts and cultural activities takes over the place of revival, distress and remorse and penance meetings.

## Part 3a

3a

3a. Before Jesus comes, we get a moral solution that Norway has not experienced similar to before. People will live together as married without being married. (The older woman expressed herself in this way because the term "Cohabitation" did not exist in 1968.) There will be great impurity before marriage and there will also be a lot of infidelity in the marriage that we in Norway previously did not have experienced the like. Perverted sins will seize people this time, and within Christian circles this is spreading and will be defended. The TV had just arrived in Norway in 1968, and the woman says that TV will play a major role in the Norwegian people life. It will not be a station, but it will be station after station at station to choose from (they had no words for channels in 1968). And these stations are going to be filled with violence.

3b. Violence as entertainment is going to seize our people. This same violence that we will see on TV, will spread in society and it will be unsafe to travel in our streets and alleys. The TV will also show cohabitation scenes and the most intimate relationship in the marriage, without shame. On this time I told the older woman that this is not allowed to show and that this could not possibly happen. Such broadcasts are prohibited and we have a law against that. Then the woman raised her voice and said: when that time comes people will not care about this law.

4a. People from poor countries are starting to flock to Europe. They're coming Scandinavia, and some also come to Norway. People will start to dislike them and become harsh towards them. They will be treated as the Jews became treated before the war. Then the goal of our sins is reached, **and the time for Jesus' return is at the door...**

## Part 4b

4b

4b. ... **and the third world war breaks out**. The war starts as an ordinary war, but **gradually it develops** to a **nuclear war**. Air, water and soil are destroyed. People in **Europe**, **America** and **Japan** and **other industrialized areas** must flee their countries and travel to poor countries that have escaped the very worst. The people of the poorest countries will not be willing to accept us, on the same way we were not willing to accept them. When I read aloud what I wrote down on the note in 1968, I must say that I am stunned. I think it seems that a good part of what I read here, after all these years now are more in line with the times we live in today.

Vladimir Putin saved Russia from further damage. Now the Pope talks about the great Schism of 1054 A.D. when the Roman church was separated from the orthodox church. They still want to have the Russian orthodox church back. And that would just be a beginning of ruling over the whole world.

**13b** hast you gathered thy company to take a prey? to carry away silver and gold, to take away cattle and goods, to take a great spoil? **14** Therefore, son of man, prophesy and say unto Gog, Thus saith the Lord God; In that day when my people of Israel dwells safely, shall you not know it? **15** And you shall come from your place out of the north parts, you, and many people with you, all of them riding upon horses, a great company, and a mighty army: **16** And you shalt come up against my people of Israel, as a cloud to cover the land; it shall be in the latter days, and I will bring you against my land, **that the heathen may know me, when I shall be sanctified in you, O Gog, before their eyes.**

## Hesekiel 38,17-20

17 Thus says the Lord God; Are you he of whom I have spoken in old time by my servants the prophets of Israel, which prophesied in those days many years that I would bring you against them?  
18 And it shall come to pass at the same time when Gog shall come against the land of Israel, saith the Lord God, **that my fury shall come up in my face**. 19 For in my jealousy and in the **fire of my wrath** have I spoken, Surely in that day there shall be a great **shaking in the land of Israel**; 20 So that the fishes of the **sea**, and the fowls of the **heaven**, and the beasts of the field, and all creeping things that creep upon the **earth**, and all the men that are upon the face of the earth, **shall shake at my presence**, and the mountains shall be thrown down, and the steep places shall fall, and every wall shall fall to the ground.

## Ezekiel 38:21-23

And I will call for a sword against him throughout all my mountains, saith the Lord GOD: every man's sword shall be against his brother. 22 And I will plead against him with **pestilence and with blood**; and I will rain upon him, and upon his bands, and upon the many people that are with him, an **overflowing rain**, and **great hailstones, fire, and brimstone**. 23 Thus will I magnify myself, and sanctify myself; and I will be known in the eyes of many nations, and

**they shall know that I am Jehovah.**
