2 Kings 24:

<sup>12</sup> And Jehoiachin the king of Judah went out to the king of Babylon, he, and his mother, and his servants, and his princes, and his officers: and the king of Babylon took him in the eighth year of his reign. <sup>13</sup> And he carried out thence all the treasures of the house of LORD, and the treasures of the king's house, and cut in pieces all the vessels of gold which Solomon king of Israel had made in the temple of LORD, as LORD had said. <sup>14</sup> And he carried away all Jerusalem, and all the princes, and all the mighty men of valour, ten thousand captives, and all the craftsmen and smiths: none remained, save the poorest sort of the people of the land.

586 B.C Exile to Babylon

1 It is also found in the records, that Jeremy the prophet commanded them that were carried away to take of the fire, as it hath been signified: 2 And how that the prophet, having given them the law, charged them not to forget the commandments of the Lord, and that they should not err in their minds, when they see images of silver and gold, with their ornaments. 3 And with other such speeches exhorted he them, that the law should not depart from their hearts. 4 It was also contained in the same writing, that the prophet, being warned of God, commanded the tabernacle and the ark to go with him, as he went forth into the mountain, where Moses climbed up, and saw the heritage of God.

586 B.C Exile to Babylon

5 And when Jeremy came thither, he found an **hollow cave**, wherein he laid the tabernacle, and the ark, and the altar of incense, and so stopped the door. 6 And some of those that followed him came to **mark the way**, but **they could not find it**. 7 Which when Jeremy perceived, he blamed them, saying, As for that place, it shall be unknown until the time that God gather his people again together, and receive them unto mercy. 8 Then shall the Lord shew them these things, and the glory of the Lord shall appear, and the cloud also, as it was shewed under Moses, and as when Solomon desired that the place might be honourably sanctified.

# Adolf Hitler wanted it

As the Chief of the SS (Schutz-staffel), Hitler's personal body guards, and the head of the Ge-Sta-Po, Heinrich Himmler took charge of historical research, Himmler set up the elite Nazi Research Institute called the Ahnenerbe and set up Wewelsburg (Castle) to be the new Grail Castle as well as the center of the new Camelot and its research efforts.

## The Holy Grail

- ✘ As the legendary symbol of Aryan knighthood, the grail was the ancient prize most coveted by Hitler. He believed that it would confer immortality on all those of pure blood and nobility of the Aryan bloodline--the Brotherhood of the Knights of the Holy Grail.
- ✘ According to Himmler's research, the Christians had stolen many of their traditions and symbology from the ancient Nordic Teutonic pagan religion, and this essential artefact must be restored to its proper place in Germany.
- ✘ Himmler assigned Otto Rahn, an expert on the Holy Grail to search for the object. He travelled through Europe and the Middle East on his quest, investigating sites in Iran and Cathar castles in the Pyrenees, but by the war's end, he never had any success.

A few years before Ron died, Jewish leaders sent six men, who were descendents of the tribe of Levi, into Zedekiah's Cave and into the 145meter tunnel which leads to the cave containing the Ark.

Their motive was to remove the Ark and destroy Christ's blood to begin their own sacrifices. After traveling 23meters through the tunnel, all were killed by angels guarding the ark.

These men were in communication with others in Zedekiah's cave who were waiting for them.

They refused to enter the tunnel to check on the men, as they had heard terrible cries from the dying men over two-way radios.

Mr. Ron Wyatt was asked by the Israel Antiquities Authority to retrieve the bodies. God is protecting the Ark to be a witness of His Son and will not allow men to interfere.

# What is the future of the Ark?

And it shall come to pass, when ye be multiplied and increased in the land, in those days, saith LORD, they shall say no more, The ark of the covenant of LORD: neither shall it come to mind: neither shall they remember it; neither shall they visit; neither shall be done any more. <sup>17</sup> At that time they shall call Jerusalem the throne of LORD; and all the nations shall be gathered unto it, to the name of the LORD, to Jerusalem: neither shall they walk any more after the imagination of their evil heart.

### 153. Legal Personality Agreement between the Holy See and the State of Israel, 10 November 1997.

The following agreement is in pursuance to the 1993 Fundamental Agreement between Israel and the Holy See. It deals with the legal status of Catholic Church institutions in Israel. The December 1993 agreement established diplomatic relations between Israel and the Holy See.
